Erie Award Program Honors the Achievement

ERIE

December 3, 2013 -- Exquisite Finishes has been selected for the 2013 Best of Erie Award in the Concrete Products category by the Erie Award Program.

Each year, the Erie Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Erie area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Erie Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Erie Award Program and data provided by third parties.
